

Camille Pichette

## AUDREN | ROLLAND

Camille began her career in a major insurance company before joining a large firm, where she worked in the areas of insurance law and product liability. She also acquired experience in out-of-court settlements and co-authored an article on the challenges of joint expert reports.

Camille has appeared before all courts in Quebec. Since joining Audren Rolland, she has devoted her practice to defending class actions in the areas of consumer law and product liability.
